

Previous engagement activity from 2018

Date	Title	Description	Link to further information	Status
2018	Cancer Strategy (Engagement Event)	<p>Aim of event</p> <ul style="list-style-type: none"> • Enable participants to understand why a Collaborative Cancer Strategy is being developed, what it is and how people could contribute • Share and improve understanding and experiences at all stages of the cancer pathway • Jointly agree what is working well across the local cancer pathway, what improvements are needed and what the priorities for improvement are. 		Closed
2018	NHS Future Fit	<p>NHS Future Fit was about improving the hospital services provided at the Royal Shrewsbury Hospital in Shrewsbury and the Princess Royal Hospital Telford to meet the needs of our communities across Shropshire, Telford & Wrekin and mid Wales.</p> <p>The consultation is now closed. For information about the progress of the programme to transform our two hospitals please follow the link to the Shrewsbury and Telford Hospital NHS Trust opposite.</p>	<p>https://www.nhsfuturefit.org/</p> <p>https://www.sath.nhs.uk/about-us/sustainable-services/</p>	Closed
2018	Midwife Led Unit Stakeholder Briefing	The CCGs presented the progress on the Midwife Led Unit Review.	https://www.shropshiretelfordandwrekinccg.nhs.uk/wp-content/uploads/engagement-	

		The event was attended by a cross section of people from across the county, all of who had recently accessed or who are passionate about the service.	report-from-mlu-review-stakeholder-briefing-24-october-18.pdf	
Jan/Feb 2019	Urgent Treatment Centre Phase 1 – Pre-procurement	<p>In January/February 2019 the CCGs developed a Communication and Engagement Plan which identified how they would engage with local patients who have accessed the services recently.</p> <p>An informal survey was held for a two week period. They used an existing resource from NHS England called “What Matters to You”. The survey was made available in the reception area of the current facilities.</p>		
May 2019	Barriers to Cervical Screening	<p>Collecting feedback from local women around the barriers to having a Smear.</p> <p>The feedback received from patients was discussed at the Cervical Screening Group meeting (including Local Authority, Public Health England, Cancer Research UK and CCG) and a number of solutions were identified and implemented.</p> <ul style="list-style-type: none"> ▪ The Screening & Immunisation Co-coordinator from Public Health England and the Facilitator from Cancer Research UK are visiting each of the GP practices within Telford & Wrekin. They will be discussing improving cervical attendance for patients, helping them understand their own cervical screening data, providing useful resources, information and support, sharing best practice and innovative solutions and signposting to further training. ▪ The Quality Lead for Primary Care is 		Closed

		encouraging GP practices to put some of the Cervical Screening appointments online for easier access.		
29.07.2019	Frailty and Falls Service	Review of the Fit 4 All service currently offered.
